From the Bishop's Office

The Diocese will launch the **Sunday Family Rosary** beginning in October and continuing every Sunday at 7:30 pm. The Diocese has asked every parish to invite one family to lead, guaranteeing that the schedule would be set for many months. If your family is interested, please visit www.formationreimagined.org and click the praying hands image at the top of the screen. Once you sign up, your family will receive a confirmation email with details.

Parvuli Dei

Congratulations to **Luigi Carratelli** who received the *Parvuli Dei* (Children of God) emblem in September.

The purpose of this emblem is to help young boys explore a wide range of activities in order to discover the presence of God in their daily lives as members of their families and parishes, and also to develop a good, positive self-image through the contributions they can make to the group or community.

You're invited to join Deacon Robert Henrey as he continues the presentation of his new series. . .

The Ancient Near East: Land of Babel

next **Sunday, October 18, 12:00 Noon - 1:15 PM** [via this Zoom link](#)

In this series of presentations, Robert Henrey shares his interest in the highly diverse historical and cultural environments that characterized the **Ancient Mesopotamian and Mediterranean world**. He sets out to give an overview of the events that made it possible for narratives and traditions to develop, especially those underlying the scriptures, and be eventually recorded thereby ensuring their transmission down the generations. It's a fascinating story and one that is relevant to our contemporary world as we cope with our overarching need to communicate with each other, and at the same time, balance the pursuit for national identity with the forces of globalization. Despite their complexity, Robert attempts to present the events as straightforwardly and engagingly as possible, with each presentation fully illustrated with on-screen, relative graphics.

Please join us for this engaging event!

October 18- Part Two: **Empires, Alphabets and Exile:** *The rise of Mesopotamian Empires, the powerful innovation of alphabetic writing, and the spread of Aramaic up to the Jewish Exile*
